Bob Anderson posted this to the Minnesota MG Group

Every once in awhile, while crawling in or out from under one of my MGs, I either mumble or say aloud - I'm getting too old for this stuff.

Today I was put in my place, when I answered a call from a gentleman in Melbourne, FL - inquiring about one of my transmissions. He was looking for an overdrive transmission, which I didn't have. He remarked that he must have made misread my ad. He added - that at 93 he makes the occasional mistake. Surprisingly I asked - you have got to be kidding, that at 93 you still muck around with MGs!!!!

He explained that he has 4 MGs, and if I heard correctly just finished or purchased a MGA to add to his collection which consisted of a Midget, MGBGt, MGB and now the MGA. He did comment that he probably should start thinking about selling them someday, "after all I don't risk buying green bananas anymore."

I closed off with my saying to him that he gave me a new goal.

BASTILLE DAY EVENT AND FRENCH CAR SHOW

SATURDAY, JULY 19 • ALLIANCE FRANCAIS, MINNEAPOLIS, MN

RECAP BY: MICHAEL BARONE • PHOTOS BY: Andy Lindberg

Though the skies were overcast, the weather was otherwise perfect for Saturday's Alliance Francaise Bastille Day party in Minneapolis. Bringing all of the activity out-of-doors (though risky, given our recent weather vagaries) proved an excellent idea, with the shared dynamic contributing to everything. The food trucks provided tasty nourishment (the organic yogurt and fruit sooooo good that I went back for seconds), the evening's music.. for dancing or listening... particularly beguiling in lamplight under the canopy as dusk settled upon us. And the cars!

Though we have done better in terms of numbers, the Citroen Club did itself proud, with representation of models from 1935 through the CX of 1987...we had three 2CVs (Grika, Schmidt, Cornell), three DSs (Anderson, Williams, Fantin), one TAV Commerciale (Grover), one exquisitely detailed SM (I am sorry, but I have yet to register the name of the proud owner of this car...whom we thank for bringing it out to display!), and one CX Prestige (Barone, with a hot-starting issue that seemed to solve itself but put it out of the funning for rides). Also Andy Lindberg, wearing his official pale blue MN Citroen Club shirt (with Linda) showed up with his slinky Triumph TR3...parking it next to Joel's TAV provided a nice architectural and color contrast.

Later in the day we were joined by a nice Peugeot 504 sedan (for sale, owner's name not gotten) and Lynn Schulte, the Metropolitan Lady with her diminutive Hudson Metropolitan (also a nice contrast, and English-sourced company for Andy's TR3).

Numerous rides were given to excited and curious attendees (ranging in age from 8 to nearly 80). Everyone walked around the cars, snapping pictures and asking questions. Several became excited about the notion of 'manual transmission'...vowing to learn how to shift for themselves so that next year, perhaps, they could....

We appreciate the invitation from Anna Scallon of AF. We're happy to participate, and look forward to next year!

FIFTH ANNUAL BRITISH SPORTSCAR DISPLAY

SATURDAY, AUGUST 2 • WOODLAND HILLS WINERY, DELANO, MN • PHOTO BY: Andy Lindberg

The fifth annual was again held at the Woodland Hill Winery west of Delano. Weather was a lot better than it was for the rain-soaked fourth annual. Thirty-six cars showed up for the low-key gathering in sun-lit bucolic surroundings. Many of the vehicles were Triumph, but there was a good showing of Healeys and some other Brits, plus Swedish, German and Japanese to give it a true intermarque flavor. No MGs.

INTERMARQUE PICNIC

SUNDAY, JULY 27 • CHEROKEE PARK, ST. PAUL, MN
PHOTO BY: Andy Lindberg

Well, they didn't need crowd control at the July picnic. Maybe ten people showed up in Cherokee Park. It was a beautiful day but attendance was down at the no-host event. What was your excuse for not being there? Mine was that I was out giving a retired nun her annual convertible ride. Top that if you can. Which club wants to host the August picnic? Contact your editors.

BMC ^{British} Automobile

When restoring cars to owners' specifications, what sets us apart is our desire for **perfection in rebuilding and restoring** classic British iron to factory original and beyond.

Additionally, we offer **driveline enhancements** and our popular **engine conversions**. Our improvements in **reliability and increased power** will bring you many years of happy motoring.

BRITFEST

SATURDAY, AUGUST 9 • HUDSON, WI • PHOTOS BY: Andy Lindberg

Britfest made its second appearance in downtown Hudson. The weather was as glorious as last year and probably a hundred Anglomobiles lined the street in front of Dick's Bar (who helped the Minnesota MG Group host the event and, not incidentally, did a land office business in breakfasts and Bloody Marys).

The best thing about locating a show in a place like Hudson is all the not yet aficionados you get to meet. And perhaps perk their latent interest in the old crocks.

The popularity contest benefited the Boy Scouts and they were very happy with the amount they raised. Winners received a beautiful red oilcan donated by Dick's. Practical yet distinctive.

Good job MGs. Good job Dick's.

PHOTO BY PAT HOLT.
Jon Meier is the proud owner of an oil can! He won Triumph voting.

BULLETIN BOARD

FOR SALE: 1937 British Railton, Stratton model, Long Wheel Base. FPL 106 has a body built by COACHCRAFT, Railton's favorite British coach builder. There is a touch of class in the beautiful and exquisite use of burl wood thru out the interior. The comfortable leather upholstery is tastfully piped in brown trim. The formal roof is trimmed in leatherette and the carpets are of a high quality material. Paint, leather, wood, and chrome have all been restored to a high standard. The Hudson engines used in the 30's were sensational with high performance and well engineered. A powerful straight 8, side valve 4168cc, with a 3 speed gearbox. At first glance the engine may appear as an overhead valve design, but the polished alloy cover merely hides the flat head & spark plugs. A high speed ring & pinion 3.51 has been added making this car a great cruiser! Much of the engine rebuild and other major work was completed by Barry Briskman, a recognized expert in high point car restorations. FPL 106 is well recognized by the Classic Car Club of America as a Full Classic. This distinctive Railton Stratton Model LWB will not disappoint. It has been carefully maintained, preserved, and prepared to do long miles safely, comfortably, and in style. Exterior black, interior cream. Condition mint. Location: Indianola, Iowa. RussBees@msn.com for many pics or questions. \$98,900 obo.

Please contact brian@bmcautos.com or 651.400.0145

FOR SALE:

I have had in my collection of auto stuff a 16MM film put out in 1957 by Renault to be shown at dealers on how they intend to market the Renault Dauphine. I know I wish it was for the MGA but this is what I have. The film was from a bunch of stuff that came from SH Arnolt in Indiana and it was in a sealed box , so I was the 1st person to see this . It is with sound . They portray 4 different ways they are going to promote the regional sales of the Dauphine. The film is black & white and the sound is a bit grainy but it is fun to watch especially now that we know how their sales efforts turned out I had this put on DVD and I am looking to sell the few had made If you know anyone into French cars they are 25.00 each plus postage.
